TWO BEECHES

Welcome to Two Beeches Nursing Home

2 Wallis Road, Waterlooville
Hampshire, PO7 7RX

Tel: 023 9223 2706

Two Beeches is a private nursing home which joined the Contemplation Homes Group in December 2003. The Home is currently registered with the Care Quality Commission to admit 30 male and female residents under the Service Category of Care Home with Nursing (N). We are able to admit residents under the Service User Categories of

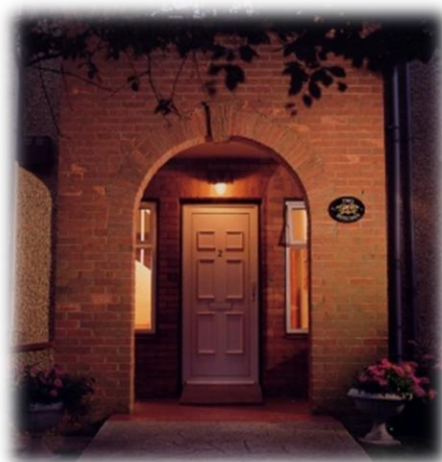

Terminally ill (TI), Terminally ill over 65 years of age (TI(E)), Physical Disability (PD), Physical Disability over the age of 65 years of age (PD(E)), and Old Age. We also have additional conditions of Registration in that all residents must be over 55 years of age.

We are not registered to admit elderly mentally ill patients unless their nursing needs outweigh their mental health needs. Assessment prior to admission is essential to ensure that the patient is placed appropriately.

The Home comprises of 13 twin bedrooms, all of which are divided by curtains when required, respecting the privacy and dignity of our residents and 4 single bedrooms. There are 4 full bathrooms, all with assisted baths, 1 being a height adjustable Parker bath with Spa facility. There are 4 separate toilets interspersed throughout the Home.

The bedrooms are equipped and decorated to a high standard and we encourage our residents to bring in personal items such as ornaments and photographs to enable them to feel completely at home. Families can install personal televisions and telephones as they wish.

All rooms meet current fire standards and regulations. All bedrooms, corridors and communal rooms are equipped with smoke alarms. All corridor doors are equipped with

automatic fire doors. Emergency lighting systems are in place and fire drills are carried out on a planned regular basis.

There is a large lounge and separate conservatory overlooking the garden for residents and their families to use. The lounge is equipped with a television, video player, radio and stereo, with a selection of videos and tapes for general use. There is a large quantity of books both large and small print available.

There is a large, attractive, well-established garden with a gazebo for the residents to enjoy during fine weather. The gardens overlook woodland. Residents often have their coffee and tea sitting in the garden with their families.

There is ample room for car parking in the grounds.

The Matron, **Mrs. Janet Percy**, is a Registered General Nurse and is registered with the Care Quality Commission as the Manager of Two Beeches. Janet can be contacted at the Home and has the day to day responsibility for the running of the Home.

The Matron is supported by a team of skilled nursing and care staff who have an on-going program of training and development which enables them to plan and deliver the appropriate care to meet the individual needs of our residents.

Mrs. Norma Pattenden is the Administrator for Two Beeches and oversees all

administration, including financial matters.

The Chefs, who are supported by our Catering Manager – **Mr. Emlyn Lloyd-Jones** serve meals to the highest standard.

Our domestic staff ensure high standards are upheld in the laundry and cleanliness of the Home.

Our handyman and gardener maintain the Home and garden to high standards.

You are welcome to view the Home at any time.
